Tuesday 11th February 2025

Dear Y6 Parents / Carers,

We would like to invite your child to a "Maths Breakfast Club" which will run on Thursday mornings from 8am until the start of the school day.

These sessions will range from recapping key arithmetic methods, a core skill for Year 6 pupils, to really getting to grips with some complex Y6 maths concepts, in a fun, small group environment, and they will include a small top-up breakfast for each child attending. The club will start after half-term (on Thursday 27th February) and will likely run until the National Curriculum testing week. It will be split into two groups and be led by myself and Mr King.

This is a great opportunity for your child to consolidate or learn some new maths skills and we would really appreciate if you could let us know they will be attending by signing up on Arbor under school clubs.

Yours sincerely

Mr Dan Taylor
