Dear Parents and Guardians,

On Monday 27th January, the Bishop Luffa Learning Partnership are coming together to kick off an exciting three weeks of learning with a special TED talk. *TED talks are recorded public-speaking presentations that were originally given at the main TED (technology, entertainment and design) annual event or one of its many satellite events around the world. They are devoted to spreading important ideas, usually in the form of short, powerful talks or presentations.*

This exciting event will be held at Bishop Luffa School and will kick off three weeks of learning across the partnership, in which the children will plan, research and write their very own TED talk on a subject close to their heart. Our hope is then for each child to be able to deliver their talks to one another, and , if all goes to plan, for some children to give their talks at our very own TED Junior event which would be held later in the term.

In order to make this happen, we will be attending the opening TED talk at Bishop Luffa School on Monday 27th January. We are very much aware that we have asked a lot of parents in terms of pick-up and drop-off over the last week or two, and are currently waiting to hear back about possibly using mini-buses again to take the children to the event. In the case that this is not possible, any help from parents in driving children to and from Bishop Luffa in the afternoon would be hugely appreciated. If you think you may be able to help with this, should the need arise, please could you indicate on the permission slip below.

Kind regards,

Mr Taylor and Mrs Jenkinson
