Starting at Lavant Village Green, you will follow a time trail across the fields where Lavant's 6,000yr old Adze was found. Enjoy meeting three characters who all need your help. There is the Saxon woman living at the time of Alfred the Great – she has found something precious, but can she stop the new invaders from taking it? It is 1640 and a local farmer's land is under threat from the Parliamentarians who are closing in on Chichester. Samuel Perkins, the local Innkeeper, is beginning to regret his connections with the dastardly smuggler Hawkhurst Gang – could he end up on the gibbet at the top of the Trundle? In turn they will help <i>you</i> solve the Quest's puzzles. Guaranteed to be an afternoon of fun and laughter for friends and family. Groups of 4-6, (children need to be accompanied by one adult per group) or come as a family group. Age 6 to 90. Lavant Families £2.00pp. 07712813284 or lavanthistoryproject@gmail.com .
